A quick word

Dear Friends,

*"Come to me, **all you who are weary and burdened,**
and I will give you rest.*

*Take my yoke upon you and learn from me,
for I am gentle and humble in heart,
and you will find rest for your souls.*

For my yoke is easy, and my burden is light.'

As we enter a new year filled with excitement and anticipation of what God will do across the globe, may we also remember that life can be complex and that challenges are in our every day.

As we acknowledge that, may we be reminded of the words found in Matthew 11:28-30 for it is true: His yoke is easy, His burden is light, and our loving God urges us to rest in Him, to trust Him, and to allow Him to shoulder the load for us.

As we press on and collectively labour for lives to be touched and transformed by the power of the living God, our solemn prayer is that thousands would accept Christ into their lives. To that end, we humbly ask you to join us in prayer so that the lives of the people of Africa will be touched. They will come to know this loving God who cares for every need and hears the cry of the broken-hearted and says, 'Come to me, all who are weary, and I will give you rest.'

Please pray that the people would hear the clarion call of repentance and the stunning message of forgiveness. May we believe in freedom and for nations that will turn their eyes and hearts toward God.
