A quick word from Ben

Dear friends,

Prayer is the cornerstone of AE's ministry, and I am constantly reminded of Michael Cassidy's words that AE must first be a testimony before it is a ministry. There are multiple testimonies of the grace of the Lord Jesus Christ amongst the lost in Africa, and I pray also that you will be rejoicing with me in what you have helped make possible through your faith in Jesus. People are turning from vice, prostitution, and corruption, the church is expanding, and many vulnerable people have new skills to save them from the streets.

In the midst of the trials and tribulations of our brothers and sisters in Christ in Africa, Christ remains the foundation and rock on which they can stand firm. Your prayers and support are making all the difference.

God bless you!
